

## Eric Pepper, Director of Publishing, SPIE

### Bio:

Eric Pepper has been a member of the SPIE staff based in beautiful Bellingham, Washington, since 1982 and Director of Publications since 1994. He oversees the business and editorial aspects of SPIE's publishing program, which includes ten journals, including three covering topics in biophotonics and imaging; the Proceedings of SPIE; the SPIE Press book publishing program; SPIE's print and online magazines; and the SPIE Digital Library content distribution platform. He also oversees SPIE's many publishing partnerships and vendor relationships, legal and ethics matters related to publications, and is liaison to the SPIE Publications Committee. Eric is a member of the Council of Engineering and Scientific Society Executives (CESSE) and the Society for Scholarly Publishing (SSP).
