1. INTRODUCTION: *The UN Sustainable Development Goals (SDGs), China Belt and Road Initiative (BRI), UN Climate Accords, Indo-Pacific cooperation, and many national foreign policies are being implemented. There are priorities and synergies requiring higher education and research partnerships and teamwork.*

Universities are vital partners, with government, business, international agencies and NGOs, in achieving the Sustainable Development Goals and other global policy objectives. What are the interactions and synergies between these policies and their implementation? What are the priorities for Universities? How can teams be developed best to succeed? How can WUN, a global network engage to 2030?

2. STRUCTURE: *There are four sessions: (i) Global Policy Frameworks, synergies and opportunities; (ii) Regional action plans for engagement; (iii) Local priorities for global challenges; (iv) Strategies for WUN.*
