

# PHYSICAL CHEMISTRY 2019 SPONSORSHIP PROSPECTUS

Welcome to the 2019 RACI Physical Chemistry Division Conference.

This is the principal meeting of the division, and will be held for the first time in Perth, Western Australia, on the beautiful campus of The University of Western Australia nestled against the picturesque Swan River.

We will be welcoming participants from all areas of Physical Chemistry to attend, with the conference themes including spectroscopy, computational chemistry, and the physical chemistry of solutions, surfaces, and interfaces.

RACI is the professional body for the chemical sciences in Australia. It advocates the positive importance of chemistry to the public, educational establishments, industry and government. It acts both as the qualifying body in Australia for professional chemists, and as a learned society promoting the science and practice of chemistry.

This conference provides a significant marketing and promotional opportunity for your organisation.
